**Suozzi Releases New Ad Ahead of Special Election: “Hide”**

*New digital ad highlights Pilip’s embrace of the Conservative Party extreme platform*

**Glen Cove, NY** - Former Congressman Tom Suozzi, today released his newest ad ahead of the February 13th special election. The ad, entitled “Hide,” will begin airing today on digital.

The ad highlights not only Pilip’s perpetual hiding from the press but, in her own words, the Nassau County Conservative party endorsing her because of what “[she] stands for.” The Conservative party has an extreme agenda of banning abortions, even in New York, even in the cases of rape and incest, is against any common-sense gun violence prevention reforms and would slash social security. And Mazi Pilip is running as their endorsed candidate.

Mazi Pilip is an unknown, untested, unvetted, handpicked candidate who will vote the way the extreme Conservative Party bosses tell her to.

Maybe that is what she is hiding?
